

The Manse,
Annan.
28th Sept, 1906.

Dear Dr Goldziher,

Allow me first of all
to congratulate you on the
fresh and well-merited dis-
tinction which the University
of Aberdeen has conferred
upon you, and that too in
good company.

If in the probable
multiplicity of your en-
gagements you can spare
the time, I should be glad
to show you our little Border

town of Annan, and I should be delighted to have you with us, though it were only for a day.

I mean to send forthwith to Professor Bezold (- who, by the way, is also a Scottish graduate, - being L.L.D. of Glasgow), at present disporting himself at Lugano, the newspapers which describe your investiture in these glories!

I hope to see you, if you can manage it and do me the honour, and with many wishes that you may thoroughly enjoy your trip to Scotland.

I am,
Yours very sincerely
James A. Crichton
